

Dear Campers,

Eastern Camp 2024 is less than a month away and things are really coming together. It's really amazing to see God's hand at work right before our eyes! He is so good! Our transition to the SU campus is happening smoothly and we are excited to present the entire camp booklet complete with the finalized schedule for the week.

To date, over 1100 campers have registered and we are encouraging those that are on the fence to sign up - there's still room! We have attached a video to give a preview of how we will be using the campus ([click here](#)). Once at camp, there will be plenty of signage and staff available to ensure a smooth arrival.

Here are some updates to consider:

- The camp website "Who's coming to Camp" page: we know many of you are wondering about this but we have run into technical issues getting this working. Hopefully it will be up by the beginning of July - stay tuned!
- July 1st is the deadline to change roommate and/or volunteer positions
- Suite configurations may include staying CLOSE TO and not necessarily sharing the same suite to those that you requested. This is due to the quantity of people requesting suite accommodations.
- Families in suites: although the rooms in general are larger than we are used to and there may be instances that beds are available for children, presume that you may need to bring an air mattress for children staying with parents.
- All mattresses on campus use TWIN XL size sheets.
- Check-in at camp begins July 21st at 1:30pm
